# DISplayer<sup>3</sup> eco performance

Ultra high-performance media player for content visualization

## Why you'll love the DISplayer eco performance?

By combining the DISplayer series with our in-house developed software you have access to a fully integrated digital signage system that ensures 24/7 reliability and security.

The high-performance DISplayer<sup>3</sup> eco, is a Linux-based media player. Thanks to its power-saving features, it is an eco-friendly media player. In 24/7 mode, it offers a 7 year life span while consuming less than 1W in sleep mode.

## The DISplayer<sup>3</sup> eco performance in a nutshell

- Secure & rugged player
- Developed for 24/7 applications
- Compatible with almost any type of display
- Compatible with popular media/content formats
- Easily extendable (WiFi® card, TV-tuner, etc.)

**BARCO**

Visibly yours
